

Lottery starts

WYCOMBE Wanderers' new fund-raising scheme — The Wycombe Wanderers Clubhouse Lottery — starts this week with tickets going on sale at various pubs and newsagents throughout the area.

Top prize every month is £1,000 and there are 3,000 other prizes from 50p to £100. One of every 13 tickets sold is a winner and price of the tickets is 25p each.

The draw for prizes takes place on the last Saturday of each month.

Wycombe, who are aiming to make a four figure profit from the lottery, are planning big improvements at Loakes Park.

WYCOMBE TRY AGAIN

AFTER last week's postponement due to frost, Wycombe Wanderers make another visit to Wexham Park tomorrow (Saturday) for a Berks and Bucks Senior Cup quarter-final match against local rivals Slough.

Wanderers take with them a full strength side but as Slough were in action against Maidstone last night (Thursday) in

the FA Trophy, they are unable to name a team. Striker Peter Feely is doubtful with hamstring trouble but Dave Russell should be fit after injury.

This is the third meeting of the sides this season and so becomes the deciding game. Slough won 3-1 at Loakes Park but Wycombe avenged that defeat by winning the return Isthmian League game 3-0.
